Hi Matthew Rumblebug!!! It's been FOREVER! How are you? How's your brother? Are you married yet? If so, does she have any plans to fire hordes of little Mattlets out of her vagina soon? If not, you should really get on that! How's work? Do you still make business cards for the "world wide web" or whatever? I remember when you were only just a baby! Constantly shrieking and pooping like some kind of suicidal Zoo animal. Speaking of suicide, what are your thoughts on euthanasia? I think it's a good idea. I tried to assist your uncle in his suicide but he demanded that I shoot him with a crossbow. Hitting a moving target with a crossbow is REALLY tough! Plus your uncle asked that I chase him on the back of a horse dressed in full knight armor and... Next time you visit I'll make my famous casserole! What are your thoughts on stabilizing relations in the middle east? I think the economy has last election I voted for Senet.

Oh Christ, this is gonna take time ...
